

BEST OF ARMBANDUHREN ROLEX

CONTENT:

For more than 15 years now the iconic watch brand Rolex has been featured in our exclusive Wristwatch magazine 'Armbanduhren' with their beautiful timepieces. Unlike other well-known manufacturers its product history is not decorated with tourbillons, carillons, perpetual calendars, and most certainly not grand complications, but that has not tarnished the brand's name – on the contrary, it has made it shine more brightly. Rolex has left a definitive mark on a century of watchmaking history with models that, though few in number, represent sophisticated watchmaking at its finest.

Best of *Armbanduhren* showcases the brand's development and its main production highlights over the past 15 years, as seen through the eyes of the editors of Germany's second largest wristwatch magazine.
