

H. TITLE INFORMATION

THE BEST ROCK MUSIC COVERS OF ALL TIMES

by ROCK HARD

CONTENT:

The history of rock music has always been a history of pictures as well. For a musician or a band the most important image has always been the cover of the new album. It serves as the packing of the product, in this case the new record, but at the same time provides information on the product and functions as a sales incentive.

Rock Hard, Germany's special interest magazine for all fans of the Hard Rock scene, has once again rooted through its huge archive to present the most entertaining, funniest and most beautiful album covers ever designed during the history of rock music. In addition the new title provides the reader with in-depth information on the making of these fascinating covers and the artists behind it. Some of the artists have been interviewed to explain their work to the reader in detail.

A must-have for any Hard Rock fan!
