

ADVANCE TITLE INFORMATION

THE DRILLING

by Norbert Klups

CONTENT:

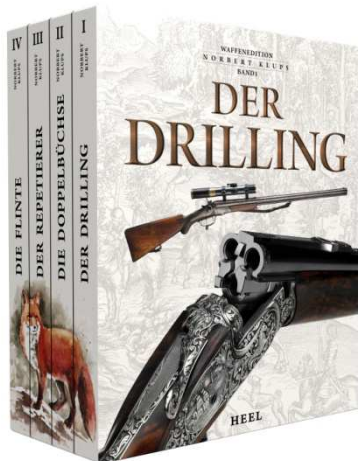

Among huntsmen, the triple-barrelled shotgun, 'Drilling', is one of the most favourite weapons, due to its versatility. Often characterized as an universal weapon, this rifle guarantees that its owner finds himself prepared for all kinds of encounters.

This book, endowed with many pictures and drawings, fits into an attractive slipcase and provides everything there is to know on the multi-talented triple-barrelled gun.

Further, upcoming volumes within the same series, will cover the musket, double rifle and repeaters.

The author is an acknowledged expert on guns, owner of a shooting license since 1979, and working for a number of specialized magazines on hunting and guns since 1984.

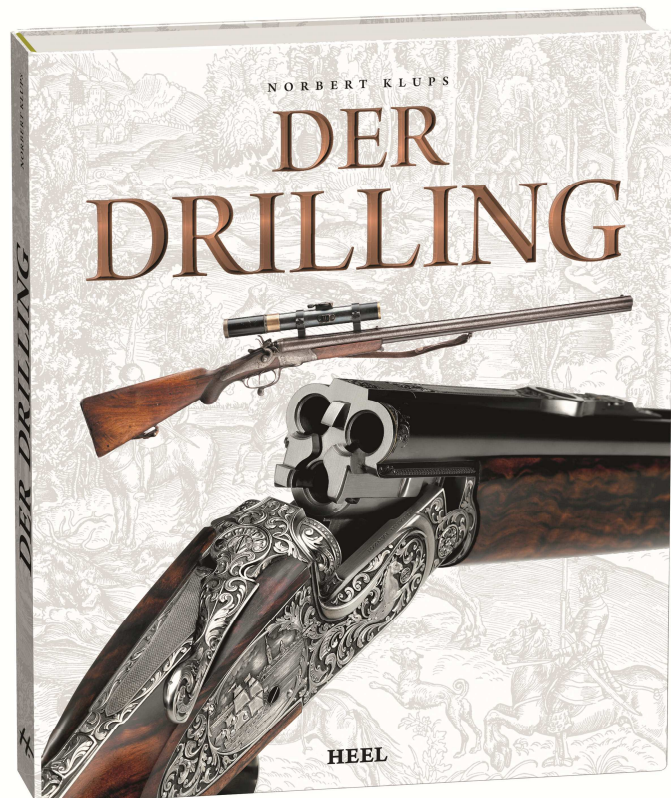

He has written twelve books on guns and munitions so far and works as a shooting trainer and within the German examining board for prospective huntsmen.

Rights all available
excl. English world
