YOU GRILL LOVE IT

CONTENT:

Here comes not just another BBQ book, but a completely new approach: Instead of a tedious collection of recipes, *You Grill Love It* comes with a well-done selection of occasions for firing up your grill! Whether it's grandma's 80th birthday, the second date or a visit from your beloved mum-in-law - *You Grill Love It* provides barbecue suggestions for events that need to be made a very special thing!

And that's the unique feature of this lavishly illustrated volume: It also supplies a quirky choice of ideas for an appropriate accompanying programme, from the right playlist (to be streamed via spotify), funny games for everybody involved, or just delicious desserts to crown the event. *You Grill Love It* is meant to be a companion waiting to be personalised (there is much room for individual entries) and filled with life – in the end a book that grows with you, hopefully stays in your family, is fun to read, is a great gift and by no means 'just another barbecue book'!

This book is produced by **Enders Colman AG**, one of Germany's leading manufacturers of outdoor BBQ equipment since 1883. Being optimisers and gourmets in equal measure, they keep striving to develop the best possible solutions for their clients, with heart and mind.
