

H. ADVANCE TITLE INFORMATION

THE BIG BOOK OF CAR VALETING

by Christian Petzoldt

CONTENT:

Here comes the one and only bible on cleaning, maintaining and caring for your favourite vehicle: It will provide all collectors and enthusiasts of vintage and modern cars, SUVs, Convertibles and all other types of vehicles with detailed instructions and professional advice on this delicate issue. All aspects of cleaning or preserving the different materials used as well as tips and tricks on what items or products will be needed to achieve the desired result are featured.

Clear instructions and step-by-step photography make sure that spots and scratches will be a thing of the past.
