VALETING YOUR MODERN CLASSIC: PORSCHE 911

CONTENT:

More and more people are starting to buy so-called modern classic cars. Therefore a growing number of fans of vehicles from the 70s and the 80s are looking for more information on how to care for, maintain and preserve their particular model from this era. This new series will answer many of the questions on how to care for the original paintwork of a particular type. It supplies tips and tricks on cleaning, polishing and conserving metal surfaces such as chrome, brass and aluminium, on maintaining leather- and cloth covers and provides information on deep cleaning and impregnation

A must have for any enthusiast to ensure an individual maintenance for the very special type of car.
