

H. TITLE INFORMATION

CITROËN 2CV

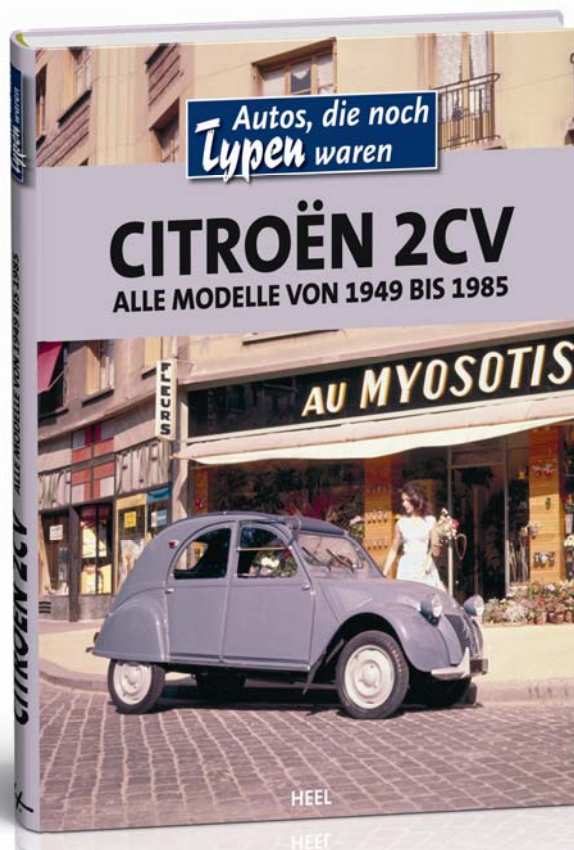

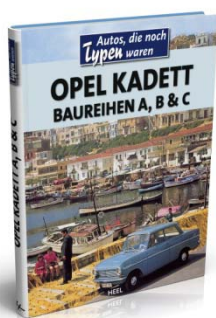

CONTENT:

The Citroën 2CV, one of the greatest legends of the French car industry, is a true classic and deserves its place in motoring history. The mere mention of its name stirs up affectionate memories as most of us have actually driven or at least sat in one of these characteristic vehicles throughout the 42 years of manufacture. This new however nostalgic look at the 'ugly duckling' is dedicated to all people, children and adults, 2CV friends and enthusiasts and wants to show the place that the car takes in people's hearts and imaginations.

Beautiful nostalgic photography accompanies the informative text.
