

MOTOR RACING TRAGEDIES

PORTRAITS OF 50 RACING LEGENDS

CONTENT:

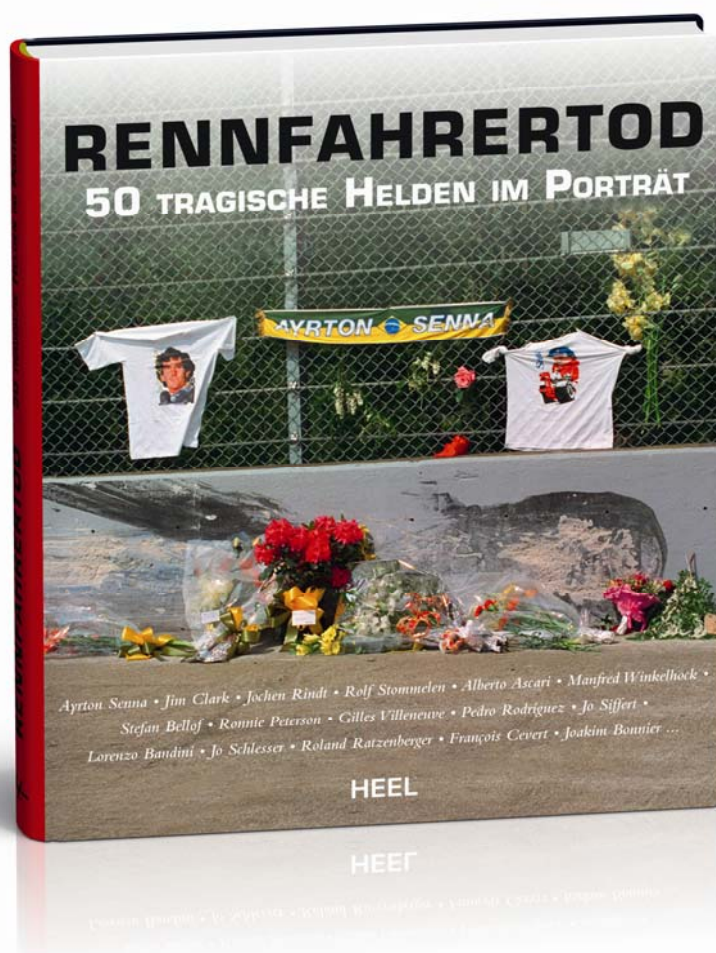

If you ask anybody who's not necessarily a motorsport enthusiast they all remember at least a couple of those tragic race drivers who paid the highest price for living the fast life. Their sudden and tragic death made them immortal. This book depicts the life and career of 50 of those motorsport heroes and explains the circumstances that led to their death.

Not just the well known stars are mentioned but also far less prominent figures whose story however is equally gripping and emotional. The book is based on careful research and illustrated with splendid and many previously unpublished photographs.
