# SMOKIN' TECHNIQUES

by Karsten "Ted" Aschenbrandt & Mike Ruckschatt

## CONTENT:

BBQ-smoking has become more and more popular during the recent years – and HEEL is clearly THE publisher who provides the quintessential reference books on this subject! In their latest how-to book on smoker ovens our bestselling authors share their profound knowledge on the various techniques and teach you how they achieve the outstanding quality and flavor of their hogs, ribs, briskets, salmons and chicken.

It covers all the basics from choosing the right type of smoker and the right type of fire wood, explains the basics of fire building and what other equipment you might need. With Ted and Mike as your guide anyone can master the art of perfectly smoked food!
