

## THE BARBECUE SAUCE BIBLE

by Ralf Nowak

### CONTENT:

A vital part of a delicious barbecue is definitely a great choice of sauces and who else but Ralf Nowak, the BBQ sauce manufacturer also known as the “Painmaker”, would be knowledgeable enough to write a book on this subject; A chef with a passion for “hot and spicy things” who has successfully established his own range of Hot Chili sauces “*Hot Mamas*” and “*Painmaker*” on the market. He is well-known among lovers of hot and spicy dishes for his top quality creations without using any preservatives or flavour enhancers and willing to share the secrets of the trade.

The BBQ Sauce Bible contains his recipes to create delicious sauces, rubs and marinades to spice up chicken, beef, pork and even seafood, and practical advice on choosing the right type of meat, storing the necessary ingredients, using adequate equipment and finding the perfect timing to add the sauce. Step-by-step photography, many insider tips and tricks and - last but not least – self-adhesive stickers to label your own home-made creations round up this truly exceptional package.
