# CORROSION PREVENTION ▫ TREATMENT ▫ CONSERVATION

In cooperation with **OLDTIMER MARKT** – Europe's largest vintage car magazine

## CONTENT:

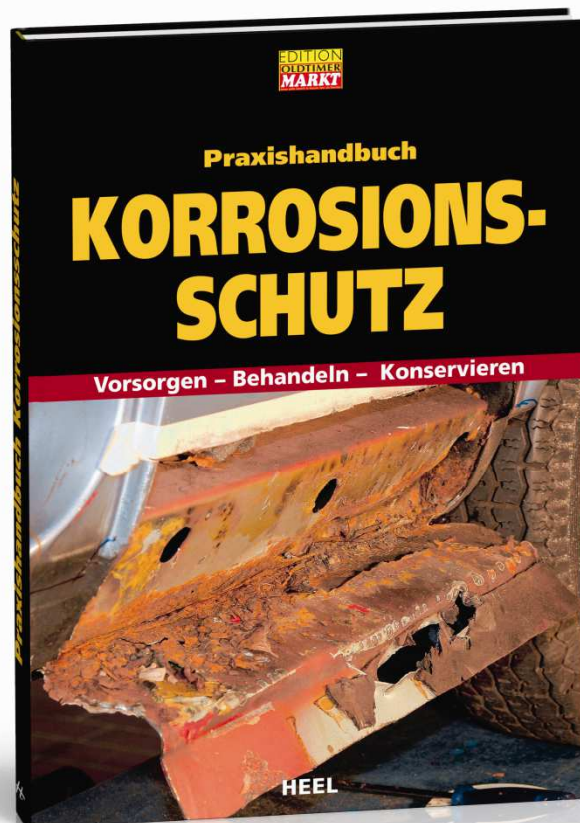

Every vintage car owner knows the problem of rust on the bodywork. This new handbook, published in close cooperation with OLDTIMER MARKT, Germany's leading magazine for classic cars, finally provides basic corrosion principles: it arms vintage car owners with the necessary knowledge on how to protect their vehicles against corrosion.

It is divided into special chapters on prevention, treatment and conservation and provides clear instructions combined with detailed step-by-step photography to make sure that rust will remain a problem of the past for you and your vintage car!
