

THE BIG DICTIONARY OF GOLFING TERMS

by Patrick Labriola / Jürgen Schiffer

CONTENT:

In order to discover the fascination of golf and its special language, the authors Patrick Labriola, a native American English speaker, and Jürgen Schiffer combed a wealth of archives in many countries around the world. No game has a richer array of terms that built up over its five-hundred-year history. Therefore it is not surprising that more than 2.700 technical terms related to all aspects of this popular game are featured here – a unique contribution to the game in general and a must-have reference for everyone captivated by it.
