VINTAGE TRACTOR VALUE GUIDE – 8th edition

by UDO PAULITZ

CONTENT:

With over 1.000 different tractor models described in great detail, this revised and updated edition of the successful and indispensable price guide offers a reliable overview on the current market, and at the same time it supplies interesting insights into the whole range of well-known and less well-known classic tractor models.

The Tractor Value Guide is the acknowledged standard work with excellent picture material, up-to-date market prices from Classic Data and a wealth of technical data on the individual models and information on the various brands.
