

H. TITLE INFORMATION

GIANT DIGGERS AND EARTH-MOVING VEHICLES

by STEPHAN RONIGER

CONTENT

This book depicts the most powerful and most impressive tractors and earth-moving vehicles built in Germany and throughout the world. Each model is featured with its most important technical specifications and is illustrated with full-colour photographs.

Whether plowing, lifting or digging, tractors and their broad field of application never fail to enthuse young and old readers alike, and this compact reference book will serve as the ideal access into a fascination subject.

Great value for money and a beautiful gift!
