

H. ADVANCE TITLE INFORMATION

WELDING

BODYWORK RESTORATION

MADE SIMPLE

In cooperation with **OLDTIMER MARKT** – Europe's largest vintage car magazine

CONTENT:

Here comes the ultimate resource packed with know-how to weld like a pro. This new volume produced in close cooperation with the editors of Europe's largest vintage car magazine *OLDTIMER MARKT* provides easy-to-follow guidance on all there is to know about the perfect weld seam. It guides the reader from evaluating the material to be welded all the way through the step-by-step welding process and final finishing techniques.

All those interested in do-it-yourself bodywork repairs with no prior experience in welding will enjoy the easy-to-understand information for mastering this intricate skill.
