THE COMPLETE KETTLE BBQ COOKBOOK

by Grillteam GutGlut e.V.

CONTENT

Kettle grills are great for those holiday weekend barbecues. They offer the largest diversity among the wide range of BBQs available on the market and are definitely one of the most popular BBQs used for outdoor cooking. This title will show you how to get the maximum out of this unique BBQ and how to impress your guests with fantastic new dishes straight from the Kettle Grill.

The main and obvious difference between the kettle grill and other charcoal barbecues is the round, high lid. The lid has a vent in it that you can open a little or a lot to keep in just the right amount of smoky flavour. It even allows you to roast meats inside; you just need the proper recipes.

For the first time the reigning German Kettle BBQ champions "Grillteam GutGlut e.V." has compiled 111 of their tried and tested and most of all, awarded recipes to get you going. From savoury steaks and sausages, poultry, game and fish dishes up to vegetables and delicious desserts - your next outdoor event will set new standards!
