MERCEDES-BENZ R 129 BUYER'S GUIDE

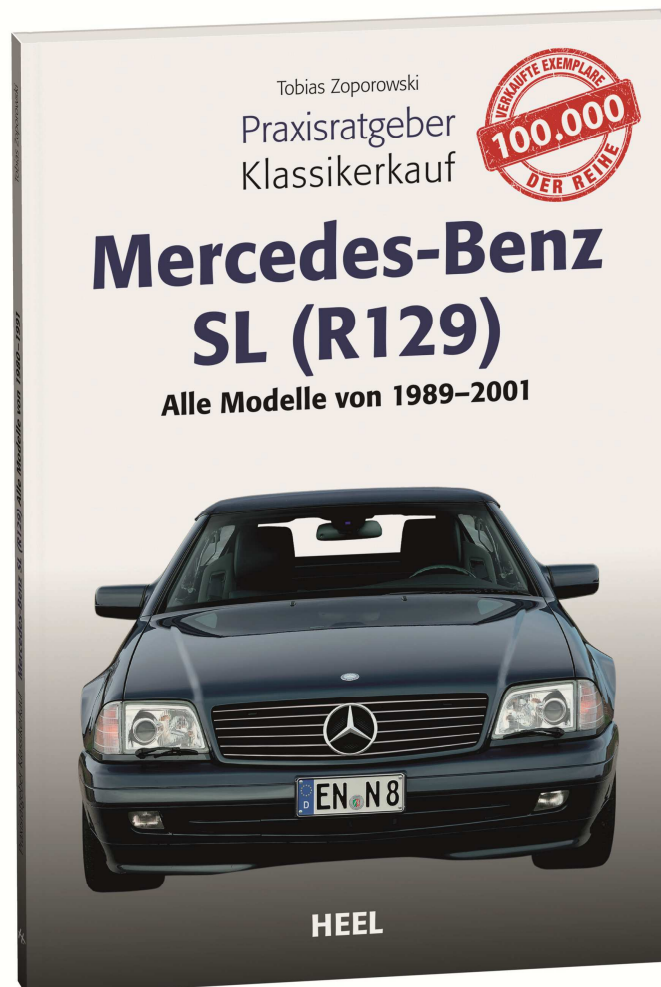

by TOBIAS ZOPOROWSKI

CONTENT:

When the R 129 model range was launched in 1989 at Geneve International Motorshow, the cars it was an expensive luxury car for only but a few, but meanwhile the R 129 has become an affordable classic car, also in view of monetary investments.

Moreover, it was the first sports car Mercedes has equipped with substantial safety features, just as integral seats withholding crashes and – for the first time ever – automatic roll-over bars.

This new volume from our successful buyer's guides series depicts all there is to know when considering the purchase of a R129 model built from 1989 to 2001.
