

CLASSIC WRISTWATCHES

The Price Guide for Vintage Watch Collectors – new edition 2016/17

by PETER BRAUN & STEFAN COMMERTZ

CONTENT:

This catalogue is the unique price guide and reference source for all enthusiasts of classic wristwatches, collectors and dealers alike. It presents a complete overview on classic mechanical watches, containing 55 watch brands and more than 650 wristwatches, with all their technical specifications and current market prices, relying on completely new market surveys by Classic Data expertise.

Additional articles give expert advice on trends and how to start a collection.

The author, Peter Braun, is chief editor of ARMBANDUHREN, the #1 special interest magazine on wristwatches in Germany, and also author of the bestselling title *Wristwatch Annual*.
