VW LT

ALL MODELS 1975-1996

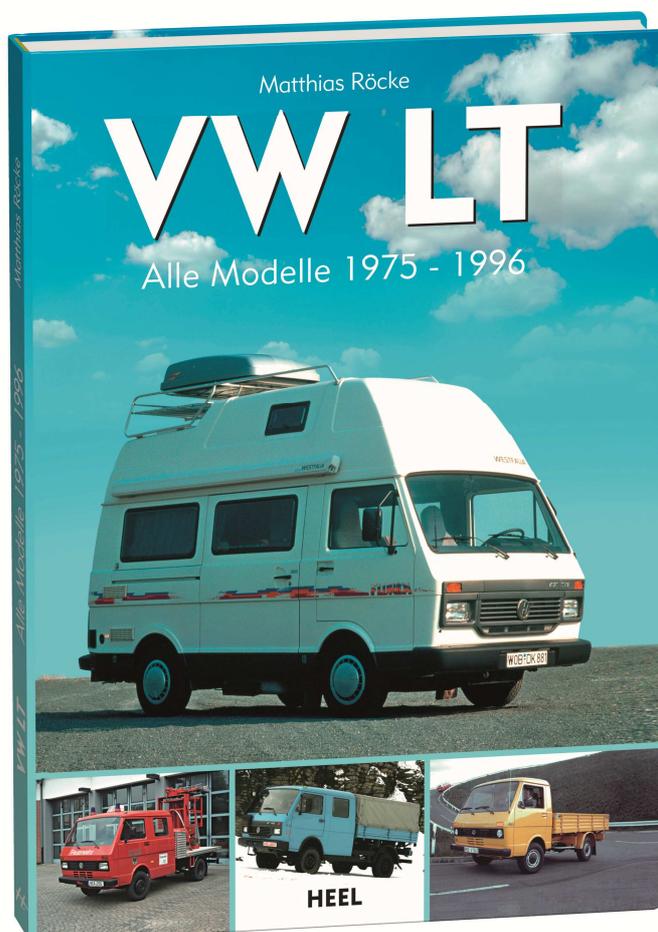

by MATTHIAS RÖCKE

CONTENT:

Finally there is a book featuring this multifunctional classic transporter which is still a sort of insiders' tip among car collectors. There are not many vehicles left en route today, but these remaining ones are much sought-after. Used as mobile homes or especially to transport surfing equipment they have gained a special status among enthusiasts.

This is the first book on the subject!

The author is an acknowledged motoring journalist who has published books on airport vehicles and Eastern German cars, trucks and busses.
