FESTIVAL SURVIVAL GUIDE

by Eileen Primus

CONTENT:

This guide provides all necessary information in order to successfully organize any upcoming festival attendance.

The author has been working as a blogger reporting on festivals for years, and she perfectly knows what to take care of when envisaging the big adventure... Endowed with a proper sense of humour, she explains on a thought-out packing list, the choice of an appropriate outfit suiting all kinds of weather, how to find the best place to camp and how to avoid disgusting and displeasing incidents which run the risk of spoiling the most anticipated experience.

The helpful handbook also contains a bucket list for your individual festival plans!
