

H. TITLE INFORMATION

MERMAIDING

by Katrin Gray (aka 'Mermaid Kat')

CONTENT:

This beautiful book tells (not only) young girls how their dream of becoming a mermaid may come true.

The author had been working as a trained scuba and freediving instructor and underwater stunt model for years, when in 2012 she established the world's first mermaid school in Thailand. Meanwhile, she teaches not only in Germany, Austria and Switzerland but almost all over the world how to swim and dive like a mermaid.

Her first book does not only give professional advise on the choice of equipment such as the fins, but also provides tips on costume and styling of a proper mermaid. She tells how and where to find a fitting swimming and diving school and thus successfully access the fascinating underwater world!
