UNCOVER THE ENGINE

In cooperation with **OLDTIMER MARKT** – Europe's largest vintage car magazine

CONTENT:

This exceptional volume offers unique insights into the world of motor production. More than 30 engines, from flat twin to rotary engines, are dissected and comprehensively described – a must-have both for technical aesthetes and automotive enthusiasts.

Legendary cars such as VW beetle, Fiat 500, Porsche 911, Volvo 740, Jaguar XK, Ferrari 250 GT and Lamborghini are featured, allowing a look beneath their bonnets.

Fascinating photo material will make all basically skilled owners of classic cars want to start right away to improve their vehicles' performance.

The book is produced in close cooperation with *Oldtimer MARKT*, Europe's largest vintage car magazine, and benefits from the long-time knowledge of their professional editorial team.
