USELESS INFORMATION ON CARS

by **BENJAMIN TOMKINS**

CONTENT:

Here comes the ultimate compilation of fun facts and trivia no car enthusiast can afford to miss – completely pointless knowledge from the automotive world which will definitely be a source of delight also for pedestrians.

Did you know, for instance, that the world's smallest ever production vehicle could be driven or alternatively be pulled after by means of the attached grip? Or that the speed record for bobby cars actually resulted in 71 mph?

...And never forget: V8 is no cup size!

THE AUTHOR:

Benjamin Tomkins is one of the hippest German ventriloquists and comedians, who has already gained 6 of the most prestigious comedy awards in the German speaking countries.
