

H. ADVANCE TITLE INFORMATION

THE NEW BIG BOOK OF MERCEDES G-CLASS

Updated & revised edition

by Jörg Sand

CONTENT:

A lot has happened to the G-Class since the first edition of this book. Built like a castle, it stands up to the fast-moving times with its robustness. It is a model with rough edges, built for extreme missions, for military use as well as for driving in undeveloped areas. This success story was continued with the W 463, albeit with significantly more luxury and comfort, but retaining its original off-road genes.

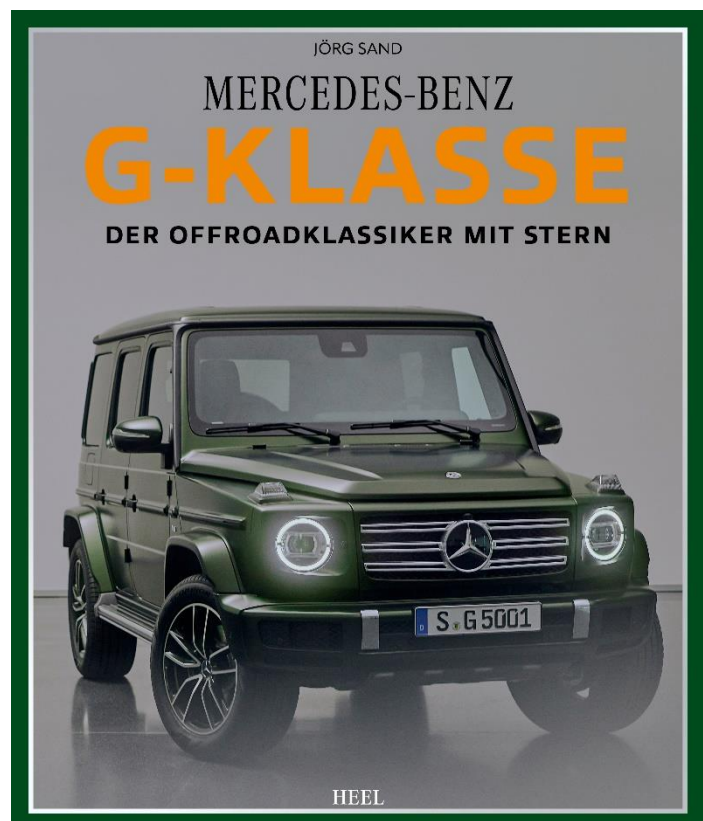

The newly revised monograph on the G-Class now also takes a look at the W 464 model, which was presented in 2024, and already shows it in military and tuning versions. The existing chapters of the book have also been revised.

Rights all available

(English option publisher!)

SPECIFICATIONS:

- 224 pages
- more than 300 coloured photos
- hardcover with jacket
- trim size: 245 x 290 mm
- retail price € 59,00
- ISBN 978-3-95843-868-2
- Publication: December 2025
