

H. TITLE INFORMATION

KETTLE GRILL

POCKET GUIDE

by GutGlut e.V.

CONTENT:

Kettle grills are great for those holiday weekend barbecues. They offer the largest diversity among the wide range of BBQs available on the market and are definitely one of the most popular BBQs used for outdoor cooking. This small book helps you understand this excellent device and its main feature, the lid, to learn how to use it and get the maximum out of it.

Many people don't even realise that the round, high lid is mandatory for many dishes prepared on the grill. The well known Lads from the GutGlut BBQ team answer all the questions on the special features and provide 40 of their best tried and tested recipes to get you going at once.

Rights all available
