## VW BUS T1-T3

by JÖRG HAJT

### CONTENT:

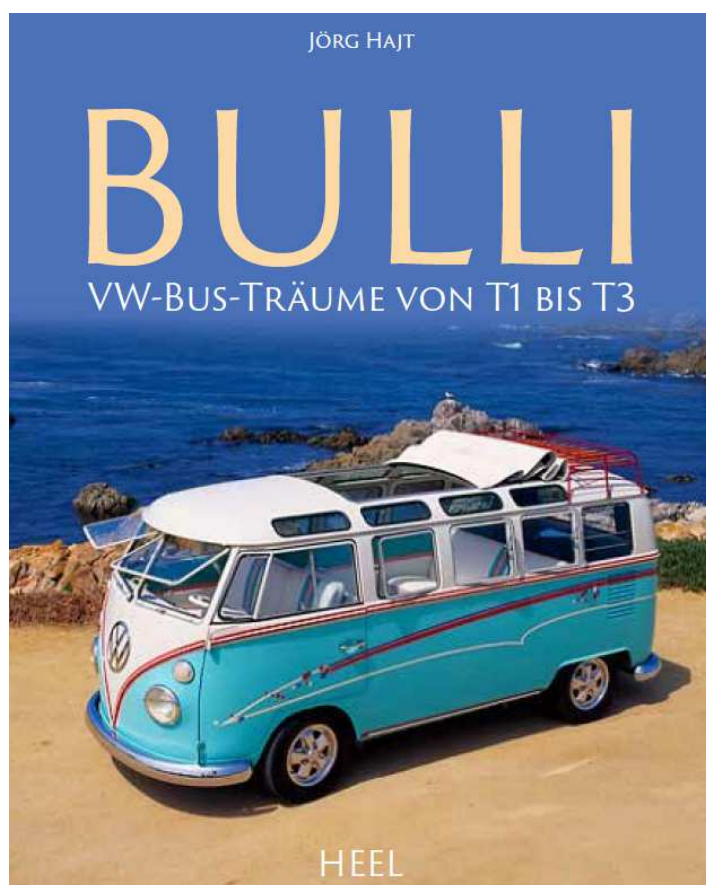

The Volkswagen Transporter, now in its sixth generation (T1 to T6), refers to a series of vans produced over 60 years and marketed worldwide. It is the best-selling van in history and many dedicated followers are praising its outstanding functionality and versatility.

For many fans of the Type 1 to 3 its not just the compatibility but also the amount of freedom and easy living that these fascinating vehicles stand for. Here comes a new bargain book, that gives you all the main facts and figures of the first three van generations 1950 – 1992 in a fun and competent package. Beautiful photography and profound information and specifications including camper conversions and special models make this the perfect gift for anybody dreaming of owning or actually driving one of these great timeless classics. Enjoy!
