JOURNAL FOR YOUR BELOVED ONE

by Inge Waldbach

CONTENT:

This charming notebook invites you to compile a unique collection of records, memories, ideas and thoughts for any of your beloved ones...either your best friend, your grandma, or anybody who plays an important role in your life you'd like to appreciate.

Tell this special person how you once met each other, reveal the reasons you are so fond of him/her, remember good days and hard days together, the most beautiful memories you share, and express the wishes you have for the both of you.

The journal offers room for personal notes or drawings, but also supplies funny checklists to choose from and space to add your favourite photos - even right on the cover within a heart-shaped die-cutting!
