ICONIC DESIGN OBJECTS MADE FROM LEGO® BRICKS

by Joachim Klang

CONTENT:

Joe Klang presents a fascinating choice of exclusively designed LEGO® models, featuring original everyday items we all know, enjoyed to use, and which used to make a real difference to our daily lives - back then....

Iconic objects like the Polaroid® camera, a cassette tape deck, the gameboy, or a Victorinox knife can now be built using the LEGO®bricks from your collection at home.

Detailed instructions will make sure that also beginners will succeed in creating amazing objects reminding you with a wink of days gone by!

THE AUTHOR:

Joachim Klang has published many books on what to do with your LEGO®bricks at home. Most of his titles have been translated into various languages; English editions of his books have sold tremendously well.
