### MY GUIDED CRUISE JOURNAL

by Franz Neumeier

#### CONTENT:

This beautiful journal will appeal to the growing number of people who decide to spend their vacation cruising, thus being able to visit and get to know a lot of different places within a relatively short period of time.

It invites you to create your own diary, a keepsake of all the places you have been, remembering what made each of them so extraordinary, including the people you met, along with notes on all the little things and impressions you'll be happy to remember later on.

It comes with a lot of practical advice and helpful checklists regarding the preparation of your cruise and your stay on board. You can be sure that numerous questions which may turn up are answered from the outset, and crucial issues such as potential hidden costs you may have to expect, 'Do's and 'Don't's on-board, dress code, gratuities and many more will be no cause for concern.
