## TRAVEL LOGBOOK

### MY GUIDED TRAVEL JOURNAL

by Wiebke Blum

#### CONTENT:

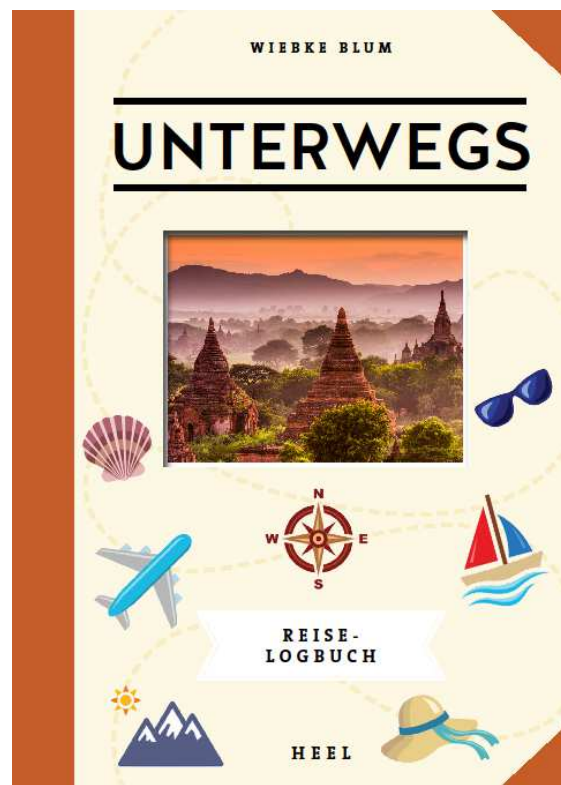

Doesn't every journey you embark on, be it a city or a weekend trip, a wellness vacation or a long-distance journey, means a new adventure? This beautifully laid out mixture of a journal and scrap book gives you the chance to (re)collect all your travel experiences and impressions, leaving room for personal notes on whom you met during your various trips, which kind of insights you may have gathered and just to remember the most beautiful moments.

Memorabilia such as stamps, admission tickets or little plants you found on the way, names and menus of restaurants or Food Trucks you enjoyed, little drawings, photographs, labels.... Anything can be added to make this the personal keepsake for all your wonderful travel adventures.
