LAND & WERKEN SERIES:

Small Garden – Big Harvest

by Axel Gutjahr

CONTENT:

Recent years have seen a growing desire for self-sufficiency regarding fresh fruits and vegetables. However a lot of people, especially in urban areas, do not have access to garden plots.

This book shows you how even small areas can be cultivated efficiently, in order to achieve crops above average.

It further tells you, for instance, how to determine and improve your soil quality, portrays the most important cultivated plants and supplies an exemplar self-sufficiency garden with a focus on sustainability.
