

# LEGENDARY GERMAN SPORTS CARS SINCE 1945

by Roland Löwisch / Joachim Hack

## CONTENT

Here comes the ultimate compilation of German Sports Cars built between 1945 and today. Within this time span numerous manufacturers tried to surpass each other with their designs and technical improvements which finally lead to a fascinating model variety on the German Sports Car market. Constructions such as the remarkable Opel GT or the BMW M3, the Porsche 911 or the S-Class of Mercedes Benz all left their optical as well as their technical mark on German roads.

With more than 500 sports cars, among them the most exclusive and fastest models built in Germany, being presented with a wealth of photographs and technical details, and accompanied by entertaining and easy to read passages, this volume will appeal to car enthusiasts of all ages and makes a perfect gift for everyone interested in sports cars.
