KLINGON LANGUAGE WORKBOOK

by **Lieven L. Litaer**

CONTENT:

This Klingon language workbook addresses beginners as well as advanced learners and offers more than 500 exercises in order to support every enthusiast's efforts to get familiar with the Klingon language.

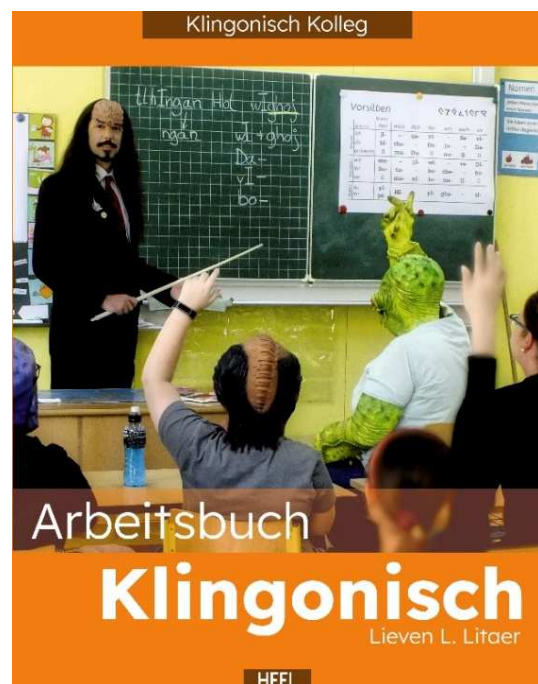

Starting with the Klingon characters and alphabet, the volume introduces all areas of Klingon grammar, supplemented by entertaining exercises (key to solutions included!) and loosened up by varied games and puzzles.

The author, of Belgian origin, is an expert on the Klingon language for more than 20 years now. He is one of the few people worldwide being able to speak Klingon fluently. He is member of the official US Klingon Language Institute for which he worked as an advisor since 2001 and from whom he has received their special KLI award for "furthering the language in various significant ways" as one of only 12 persons so far. He has also translated children's book classic 'The Little Prince' by Antoine de Saint-Exupéry into Klingon.
