THE NEW BUCKET LIST FOR COUPLES

250 NEW THINGS YOU SHOULD EXPERIENCE TOGETHER
by **Stephanie Fischer**

CONTENT:

This New Bucket List for Couples provides unique and unforgettable moments - so that the feelings of love from the beginning remain strong even after forty years of everyday life! The couples can enjoy being in love and keep the butterflies alive with these 250 funny, dreamy, romantic or even whimsical tasks:

Why don't you show each other your favourite places from your childhood, watch your favourite film open air (with a cuddly blanket, of course!), hide little love messages in your sock drawer, fridge or toothbrush mug, or why not explore your own city by tour bus? Each of the 250 ideas supplied here will remain an unforgettable highlight in their lives!

The author, Stephanie Fischer, runs her own PR agency and has successfully published several other bucket lists!
